*Dear Dianne,*

*Marin Conservation League (MCL) congratulates you on your upcoming retirement and we thank you for your many years of transportation leadership in Marin County. We appreciate the many times you took time out of your busy schedule to make presentations, share information, and field questions at MCL's Land Use and Transportation Committee meetings - always with intelligence, professionalism, and humor.*

*We wish you the very best in whatever endeavor you choose to pursue next.*

*Sincerely,*
