**Re: BCDC Enforcement Case No. ER2010.038**

Dear Chair Wickham and Members of the RBRA Board of Directors:

The Marin Conservation League (MCL) is concerned that the RBRA Board will not be meeting the timeline of the BCDC request for a plan that addresses the management of anchor outs on Richardson's Bay.

We are encouraged by the enforcement actions taken since last August to rid the Bay of debris and derelict vessels, but this ongoing activity will be unending until there is a plan in place for long term management. We would appreciate notification of any draft plan that comes out to address the issues on Richardson's Bay.

Thank you. We look forward to hearing from you.

Sincerely,
